Juventus, Pogba’s hair stylist announces his move

Paul Pogba is going to be sold by **Juventus**. The midfielder, in fact, is in Miami, where he changed his hair style. The hairdresser posted a picture on *Instagram* that sounds as a goodbye: “*Had to change Pogba’s haircolor for his new team*“. Which is the “*new team*“? Probably **Manchester United**. But, pay attention, **Real Madrid** wants to buy him too. The picture is not seeable anymore, maybe because **Mino Raiola** (Pogba’s agent) called the hair stylist and forced him to remove it. So – we can say – the french player is joining his new team soon. It’s going to be the most expensive transfer ever: **110 millions euros**, more than Gareth Bale and Cristiano Ronaldo. We are only waiting for the official announcement, than Pogba will definitely be either one of the *red devils* or *blancos*.
